

Mission and Purpose

To enrich our community through exciting recreational and cultural opportunities.

Tuscaloosa County Park and Recreation Authority, PARA, will provide an opportunity for youth of Tuscaloosa County to participate in an organized league of baseball. This league will endeavor to teach the participants good sportsmanship, team work, and the fundamentals of baseball under the guidance of qualified adult leadership.

1. The name of this organization shall be West Alabama Baseball League, WABL. Its membership shall consist of players and teams registered by payment of their registration fee at PARA.
2. A Youth Baseball Advisory Committee shall be appointed to assist in coordination of all youth baseball activities. It is the duty of the respective Advisory Committee, in cooperation with PARA and the League Director(s), to supervise the program and enforce the rules, to divide teams in their league into divisions and to assist, advise, and/or handle protests and complaints, and to perform other acts that might arise or be needed.
3. League commissioners may be appointed for each of the leagues or age groups. The commissioners may be delegated responsibility from the Advisory Committee.
4. All local league and local tournament play is governed by these Local Rules, the Official Rules and Regulations of Dixie Youth Baseball, Inc. ("Dixie Youth Rules") and the Official Rules of Major League Baseball. When a conflict exists among these various rules, the Local Rules shall apply first then the Dixie Youth Rules and finally, the Major League Baseball Rules.
5. These Local Rules shall apply to all age groups, unless specifically limited to particular age groups herein.

Local Rules

1. **Playing Up:** Each player may play up one age with league approval. Players may not play up 2 or more ages. In no situation will a player be allowed to play down.
2. **Travel Ball:** Players registered to play in WABL may participate in both league play and travel ball. However, no coach or player shall miss a WABL practice and/or WABL game to participate in travel ball. If a player and/or coach misses a WABL practice and/or WABL game to participate in travel ball, the player and/or coach may be suspended two games for the first offense of this rule and the player and/or coach may be banned from the league for the remainder of the season for any subsequent offense of this rule.
3. **Selection of Coaches for League Play:** To be considered for a regular season head coach, an applicant must submit a coaching application to PARA no later than the scheduled coaches' meeting. The head coach and one assistant must submit to a background check, and concussion training per state law. Coaches and assistant coaches for each league will be chosen based upon a point system. Those coaches with more points will be given first priority to coach a team should there be more coaches than available teams. The points shall be as follows*:

3 points for head coach of AllStar team for WABL

2 points for being assistant coach of AllStar team for WABL

2 points for head coach during a spring season for WABL

1 point for being assistant coach during a spring season for WABL

Should there be a tie between two or more coaching candidates then the Advisory Board shall make the final decision as to which candidate shall be allowed to coach.

*Regardless of the number of points accumulated, the WABL Advisory Board may reject a coach's application if the Advisory Board determines, in its sole and absolute discretion, the coach is not fit and/or is no longer fit to coach.

If a head coach plans to designate an assistant coach, such designation shall be made before the start of evaluations.

Each coach will be required to sign a coaches' code of conduct and will be expected to abide by the guidelines in place for character and sportsmanship. Coaches will also have to sign for a copy of the rules at the coach's meeting or draft.

4. **Pick-Up Players:** Teams must field at least 8 players to start a game. If a team has less than 9 players for the start of a game, that team can pick up enough players to make 9 in all age groups (must field 6 players from team roster). Teams may not pick up more than 2 players each game. If these rules are violated, (more than 2 players are picked up, more than 9 players as a result of pick up players, less than 6 from original roster), then the game will be still be played but recorded as a forfeit for the team that violated the rule.

For ages 8 and under, the first pick-up player (to make 8) must play right field. The second pick-up player (to make 9) must play catcher. All pick-up players must bat last in the team's line-up.

For ages 9 and up, all pick-up players must play outfield and must bat last in the team's lineup. Pick-up players may not pitch or play infield.

Any team beginning a game with eight players that loses a player during the game due to injury or illness may finish the game with seven players.

During Local league regular season play, teams may pick up a player from the same age group or below to make 9.

No pick-up players will be allowed in tournament play.

5. **Draft Procedures:** Players not attending evaluations will be placed in a hat unless the player is protected or participated on an all-star team sanctioned by WABL during the previous season.

Selection of players placed in the hat: Instead of selecting a player from the draft board/sheet, a player's name can be pulled from the hat from the third round of the draft forward.

Only the head coach's child and one assistant's child may be protected. No more than two protected players per team. The head coach shall inform WABL and/or PARA at the time of evaluations which players will be protected. The term "child" includes step-children.

In order to protect players, head coaches must submit the protected player request form, and complete the required coach's paperwork prior to the draft.

Previous season All-Stars: All players who, in the previous season, participated on an all-star team sanctioned by WABL shall be available to be drafted regardless of whether he/she attends evaluations. The draft shall denote which all-star team each player played on during the previous season. In no event shall all-star players from the previous season be placed in a hat.

Selection process: Numbers will be drawn out of a hat to determine order of selection. The selections will reverse each round. Example: if there are six teams, first round selections go 1-6, second round selections will go 6-1. Order of selection will be re-drawn in every subsequent odd numbered round until all players are selected.

One minute will be given to each coach to make his/her decision in each round.

Siblings residing in the same household and age group must be drafted together. Only one set of siblings per team. The term “siblings” includes step-siblings.

Draft Manipulation: Any complaint of draft manipulation shall be brought before the Baseball Advisory Committee. Should the Baseball Advisory Committee find that attempted manipulation has occurred then the Baseball Advisory Committee shall take action it deems appropriate up to and including such player(s) name being placed in a hat for random selection.

6. **Player-Practice Rule:** the head coach has the authority to limit game playing time of any player on their team who continually misses practice without a valid excuse, or that may have caused disciplinary problems during a practice or a particular game. Players with valid medical or health related issues are exempt from this rule. The coach must document missed practices and notify the opposing coach, umpire, and the PARA staff before the game. Coach must also notify parent/guardian before playing time is limited.
7. **Scorer's Book:** the official book shall be kept by the home team. It is expressly made clear by these local rules that the official score, number of outs, etc. shall be kept by the home team. The home team's book will control regardless of the score or number of outs on the scoreboard. It is the responsibility of the head coach of the home team to ensure that his or her team keeps a book.

The visitor is strongly encouraged to keep a book as well to compare with the home team's book and so the visitor can challenge or protest the score, number of outs, etc. A challenge or protest of the score, number of outs, etc. will not be considered if the visiting team does not keep a book.

Scoring will not be kept in Tee Ball.

8. **Conduct:** PARA and the West Alabama Baseball League have a zero tolerance policy on any and all acts of violence or assault, both verbal and/or physical. Any violation of this rule may lead to a hearing by the Advisory Board and/or PARA, arrest and/or further disciplinary action up to and including termination of privileges to participate in any and all PARA and/or West Alabama Baseball League activities, events programs and/or use of facilities.

Ejections – Any ejections of a player, coach, or spectator from any game results in an automatic two game suspension of the player, coach or spectator so ejected. A suspension may be longer than two games if ruled so by the Advisory Board.

The head coach of each team is responsible for the conduct of its players, coaches and spectators. Should a player, spectator, or coach, other than the head coach, be ejected for violations of this conduct policy then the head coach may also be subject to a two game suspension after review by the Advisory Board.

Umpires will make sure that ejected persons know they have been ejected from the game by immediately notifying PARA/WABL staff, the League Director, the League President or Age Group Commissioner

and said player/coach/spectator. Ejected individuals must leave the park (playing field, complex, and parking lot) immediately without causing a disturbance.

9. **Post-Season Tournaments:**

At the end of regular season play, ages 5-6, a single elimination tournament will be scheduled.

At the end of regular season play, for ages 7-8, a double elimination tournament will be scheduled.

This shall be referred to as the foul arc. A ball must completely pass the foul arc to be fair. This rule only applies to the 5-6 year old age group. Please see Dixie Youth Rules for all other age groups.

Player pitcher in coach pitch leagues must wear a batting helmet with facemask.

17. **Overthrows to First Base in 5-6 Year Old Age Group or A Division:** If there is an overthrow on a play at first base, all runners will only be rewarded one base. An overthrow at any other base is a free ball. This rule applies only in the 5-6 year old age groups.
